

OM3 FIBRE OPTIC PIGTAIL, SC/UPC

PART NO.: KB-FPM3-SC

DESCRIPTION: OM3 SC/UPC pigtail for high-speed multimode networks

The KAYBE OM3 Fibre Optic Pigtail with SC/UPC connector is designed for high-speed multimode networks, supporting 10G and above data transmission. It offers low insertion loss and consistent optical performance, making it ideal for data centers and high-bandwidth applications. With precision-polished SC/UPC connectors and OM3 fibre, it ensures reliable splicing and efficient network operation.

KEY FEATURES

1. Delivers reliable performance and long-lasting durability in challenging field conditions
2. LSZH construction ensures safer, eco-friendly operation
3. Built with OM3 high-bandwidth multimode fibre
4. Fully compliant with RoHS 2.0 standards

CONSTRUCTION DATA SHEET

GENERAL SPECIFICATIONS	
Interface	SC/UPC
Body Style	Simplex
Connector Color	Aqua
Jacket Color	Aqua
Standard	IEC 61754-4-2002
Length	1.5 m
Regulatory Compliance/ Certifications	ROHS 2.0 Compliant
OPTICAL SPECIFICATIONS	
Fibre Mode	Multimode
Fibre Type	OM3
Insertion Loss, maximum	0.20 dB
Return Loss, minimum	25 dB
MECHANICAL SPECIFICATIONS	
Bending Radius	20D (Dynamic), 10D (Static)
Durability	>500 times
ENVIRONMENTAL SPECIFICATIONS	
Operating Temperature	-40 °C to +70 °C (-40 °F to +158 °F)
PACKAGING	
	10pcs/Pack
