

SC-SC (UPC) OM4 MULTI MODE DUPLEX FIBRE OPTIC CABLE

PART NO.: KB-SCSC-M40xx

DESCRIPTION: OM4 SC-SC Duplex Multi-Mode Fibre Patch Cord, LSZH

The KAYBE SC-SC (UPC) OM4 Multimode Duplex Fibre Optic Cable is engineered for high-speed short-range connectivity in data centers and enterprise networks, supporting 10G, 40G, and 100G applications over optimized distances. Built with 50/125 µm OM4 laser-optimized multimode fibre, it delivers high bandwidth performance and is backward compatible with OM3 and OM2 infrastructure. Precision ceramic ferrules ensure accurate fibre alignment with low insertion loss, while UPC-polished SC connectors provide stable and reliable signal transmission. Its bend-resistant fibre design minimizes attenuation in tight routing scenarios, making it ideal for patching between switches, servers, and network equipment. Encased in a Low Smoke Zero Halogen (LSZH) flame-retardant jacket, the cable emits minimal smoke and toxic fumes, ensuring safer installations in data centers, commercial buildings, and confined environments.

KEY FEATURES

- 1. Superior Build Quality:** SC-SC connectors with UPC polishing deliver improved return loss compared to traditional PC polish.
- 2. Safe & Reliable Performance:** Individually tested for consistent performance; LSZH jacket minimizes toxic fumes in case of fire.
- 3. Broad Network Compatibility:** OM4 multimode duplex fibre supports 10G/40G/100G applications, is backward compatible with OM3 and OM2, and offers high bandwidth for short-range data center connectivity; bend-resistant design enables tight routing.
- 4. Enhanced Fire Safety:** Low Smoke Zero Halogen (LSZH) fire-retardant cable jacket.

CONSTRUCTION DATA SHEET

ADAPTERS SUPPORTED	Connector A 1 - Fibre Optic SC Duplex Connector B 1 - Fibre Optic SC Duplex
PRODUCT SPECIFICATIONS	
Cable Color	Violet
Insertion Loss(dB)	≤0.3dB
Cable diameter	2.0mm
Cable type	LSZH
Ferrule Interface type	PC
Mode	50/125

ENVIRONMENTAL CHARACTERISTICS

Operating Temperature	-20°C to 70°C
Storage Temperature	-40°C to 85°C

ORDERING INFORMATION AS PER FOLLOWS

PART NO	PRODUCT DESCRIPTION	LENGTH
KB-SCSC-M4010	SC-SC (UPC) OM4 Multi Mode Duplex Fibre Optic Cable	1.0m
KB-SCSC-M4030	SC-SC (UPC) OM4 Multi Mode Duplex Fibre Optic Cable	3m
KB-SCSC-M4100	SC-SC (UPC) OM4 Multi Mode Duplex Fibre Optic Cable	10m
KB-SCSC-M4300	SC-SC (UPC) OM4 Multi Mode Duplex Fibre Optic Cable	30m
KB-SCSC-M4500	SC-SC (UPC) OM4 Multi Mode Duplex Fibre Optic Cable	50m
